HOFFMAN FARM SEEDS

Note FREIGHT-PAID, BAG-FREE, and other TERMS explained on Page 3

PRICE-CONTROL . . . please read

Federal OPA regulations now govern prices of Red, Mammoth, Alsike Clovers, and Alfalfas. Transportation costs to get these seeds from producers to consumers may be added to OPA base figures. Those costs differ, from the different sources. So selling prices will vary. Below are average quotations. As certain lots carrying lower costs go to Hoffman customers, any saving under quoted prices will be rebated to them. Likewise, on other lots bearing higher costs, a slight advance may be asked.

Due to extreme shortages, certain seeds may be exhausted very early. Instant orders urged.

If you don't send payment with order, be sure to indicate on order blank which of the other payment-plans shall apply.
